Ohio-to-Erie Trail

1

The Ohio-to-Erie Trail passes quickly from the busy urban setting of the City of Xenia into the beautiful rural Greene County countryside. Connecting spurs at Sims Street and Bob Evans Park link the east side of Xenia and the Y.R.C. Baseball complex.

The trail is 12' wide between Xenia Station and Wilberforce-Switch Road, where a 0.9-mile spur connects to Central State, Wilberforce University and the National Afro-American Museum. From there, the 10' ribbon of pavement winds gently through area farm fields and crosses a magnificent wooded gorge with limestone cliffs and mature hardwood forest. This portion of the trail connects one park in Xenia and two parks in Cedarville as part of the 353-mile Ohio-to-Erie Trail. Traveling northeast, the trail connects South Charleston in Clark County through London in Madison County.

Little Miami Scenic Trail

3

The Little Miami Scenic Trail begins in Milford, in Hamilton County, and travels approximately 70 miles northeast to Springfield, in Clark County. Portions of the Little Miami Scenic Trail parallel the river for which it's named, winding serenely through the beautiful countryside of Southwestern Ohio. Sections of the trail are also part of the statewide Buckeye Trail, the North Country National Scenic Trail and the statewide Ohio-to-Erie Trail.

Simon Kenton Trail

3

The Simon Kenton Trail extends from the Little Miami Scenic Trail in Springfield and travels north approximately 17 miles to the Urbana YMCA in Champaign County. Along the way is The Depot Coffee House, in a renovated train station.

Buck Creek Scenic Trail

40

This trail joins Buck Creek State Park with Old Reid Park and ends in Veterans Park, for a scenic 7 mile ride. The trail is 10' wide and highlights the industrial legacy of downtown Springfield.
